Children of all ages, even babies and toddlers, have difficulties managing their feelings. INC can help to establish healthy emotions. As a family member, you play an important role in building strong lasting relationships with your children. If you are worried about your child, trust your instincts,

you know your child best.

Does your child have difficulties with?

- Listening?
- Learning?
- Homework?
- Taking turns?
- Making friends?
- Paying attention?
- Playing with others?

Does your child...?

- Always want to be left alone?
- Earn bad grades?
- Get upset quickly?
- Interrupt others?
- Talk too much?
- Forget things?
- Look sad?

If you notice changes in your child's behavior, please contact us, our team speaks Khmer and are here to help. You are not alone.

If you qualify for Integrated Network for Cambodians (INC) program, counseling services will be of no cost to you. We will coordinate counseling, medical services, and/or substance abuse treatment with you. All your information will be kept private.

Having a Healthy Mind is as important as a Healthy Body.
